

Year 4/5 | Blwyddyn 4/5

Welcome to our Class Page! | Croeso i'n Tudalen Dosbarth!

Spring Term 2025 | Tymor Y Gwanwyn 2025

Llanelli has undergone significant transformations over the past 150 years. In our upcoming topic, we will explore a range of subjects connected to our community, taking a journey through its past, present, and future.

Past, Present and Future!

During the Spring term, we will be....

- Participating in collaborative group storytelling activities.
- Writing reflective diaries exploring the past, present, and future.
- Engaging in thoughtful group discussions and debates.
- Crafting vivid, descriptive stories that captivate the imagination.
- Contributing to the creation and production of short films.
- Researching and uncovering the rich history of Llanelli.
- Exploring and experimenting with the different properties of materials.
- Investigating which materials conduct electricity most efficiently.
- Examining and testing which materials serve best as insulators.
- Celebrating the cultural significance of St. David's Day with various activities.
- Focusing on key mathematical concepts such as multiplication, area, perimeter, and fractions.
- Creating stunning digital artwork using various tools and techniques.
- Learning and developing coding skills using Scratch programming.
- Producing engaging podcasts that highlight the history and culture of Llanelli.

Reading Books

- Reading books have been sent home with your child. Reading books and reading records should be brought to school every day. Children take part in reading independently, reading with staff and group reading with their peers.

PE

- PE will take place every Thursday. Pupils are asked to arrive to school wearing their PE clothes (t-shirt, joggers, trainers, etc). There will not be an opportunity to change in school.

Tuck Shop

- Tuck Shop is available for students who provide £1.50 per week. If you are interested, please provide £1.50 in an envelope marked with your child's name. Fruits include apple, banana, satsuma, raisins, cucumber and kiwi.
- Bulk half termly payments can be provided in an envelope, see Piota for details.

Outdoor Learning

- As part of our commitment to outdoor learning, we are excited to provide students with opportunities to engage in activities that connect them with nature and enhance their learning experience.
- If your child requires specific PPE, such as wellies or additional gear, I will make sure to inform them and ensure they are prepared for the activity.

Jumpers and Clothing

- Please ensure all jumpers, cardigans and clothing are labelled clearly with your child's name. We understand how expensive uniform can be and hope to avoid anything going missing.

Spelling Tests and Homework

- Spelling tests for Year 4/5 will be held every Friday. Spelling words and homework will be sent home on Friday, and students will be tested on these spelling words the following Friday, therefore these spelling words should be practiced and will be available on Google Classroom.

Healthy school

- Children are encouraged to bring water to school each day to stay hydrated. Additionally, we kindly ask that all snacks be healthy choices.

Please monitor Piota, as well as our Twitter and school website, for any updates, messages, and important information. Thank you for your ongoing support. If you have any questions or concerns, please feel free to get in touch with us.

Diolch yn fawr,

Mr. Culpin and Mrs. Morgans
